### **Research Guide Details**

**Name : Dr. P. S. Aithal**

**Department : Management & Information Technology**

**College : College of Management & Commerce**

**Contact Details : psaital@gmail.com**

**Educational Qualification : M.Sc. (Physics), M.Sc. (E-business), MIT (IT), M.Tech. (IT), Ph.D. (Physics), Ph.D. (Management), Post Doc.-PRL, (Ahmedabad, India), Post-Doc.-(CREOL, UCF, USA)**

**Teaching Experience : 30 Years**

**Research Experience : 30 Years**

#### **Research Details :**

- (1) Research Area : (a) Growth & Characterization of Nonlinear Single Crystals for Nonlinear & Photonic Applications.  
(b) Mobile Business models with special Emphasis to Indian Financial Sector**
- (2) Funding Applied : DST Young Scientist Project on Dye doped polymers for Optical Limiting Applications, 2002-2005.**
- (3) Funding Applied : A Project to DST on the topic "Design, Fabrication and Characterization of Some Novel Dye-doped Metal-Polymer Nanocomposites films for Third Harmonic Nonlinear Optical and Photonic Switching Applications".**
- (4) Journal Publications : 400 Scholarly Papers Journals with ISSN.**
- (5) Conference Publications : 300 with ISBN.**
- (6) Conferences & Workshops Attended : 60.**

#### **Any Other Details :**

- (1) Google Scholar Citation : 3707, H-Index: 31, i10 Index : 126.**
- (2) Research Guide in Management & Information Technology, Presently Guiding 08 Research Scholars Registered for Ph.D. & 06 Post Doctoral Research Scholars.**
