

SRINIVAS UNIVERSITY
Mangalore, India

Research Guide Details

Name : Dr. Shubhrajyotsna Aithal

Department : Chemistry

College : College of Engineering & Technology

Contact Details : shubhbraaithal@gmail.com

**Educational Qualification : M.Sc. (Material Science),
M.Sc. (Chemistry), M.Phil. (Chemistry), M.A (English), Ph.D. (Chemistry).**

Teaching Experience : 20 Years

Industry Experience : 02 Years

Research Experience : 12 Years

Research Details :

- (1) Research Area : Preparation & Characterization of Dye-doped Polymer films for Nonlinear & Photonic Applications.**
- (2) Funding Applied :** Submitted a project proposal to Department of Science & Technology, Govt. of India on “**Study on Dye sensitized nano-composite doped polymer films for Optical Limiting & Optical Phase Conjugation**” under Core Research Grant Scheme of Rs. 30,86,000.
- (3) Publications : 55 Journal Papers.**
- (4) Conferences & Workshops Attended : 60.**

Any Other Details :

- (1) Google Scholar Citation : 586, H-Index: 12, i10 Index : 14.**
- (2) Research Guide in Chemistry & Materials Science & 05 Research Scholars Registered for Ph.D.**
